on March 14, 2023

I. Purpose

The primary purpose of the Audit Committee (the "Committee") is to assist the Board of Directors (the "Board") of UFP Technologies, Inc. (the "Company") with the oversight of: (i) the integrity of the Company's financial statements, (ii) the Company's compliance with legal and regulatory requirements and (iii) the qualifications, independence, appointment, retention, compensation, and performance of the Company's registered public accounting firm.

The term "registered public accounting firm" as used herein shall mean any public accounting firm registered with the Public Company Accounting Oversight Board (the "Accounting Board") under Section 102 of the Sarbanes-Oxley Act of 2002 that performs the independent auditing function for the Company.

Although the Committee has the powers and responsibilities set forth in this Charter, the role of the Committee is to provide independent review and oversight of the Company's financial reporting process, internal controls, independent auditors, and internal audit function. It is not the duty of the Committee to conduct audits, to establish and maintain disclosure controls and procedures and internal controls over financial reporting, or to determine that the Company's financial statements and disclosures are complete and accurate and are in accordance with generally accepted accounting principles and applicable rules and regulations. These are the responsibilities of Company management, and subject to audit by the Company's registered public accounting firm.

II. Structure, Process and Membership Requirements

The Committee shall consist of not less than three members of the Board appointed by resolution of the Board and shall serve at the discretion of the Board. The members on the Committee shall meet the independence and other qualification requirements of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), the rules and regulations thereunder and the applicable rules of the Nasdaq Stock Market ("Nasdaq"), or such other stock market on which the Company's securities may be listed from time to time, subject to any permitted exceptions thereunder, and shall be free from any relationship that, in the opinion of the Board, would interfere with the exercise of his or her independent judgment as a member of the Committee. Each member of the Committee must be able to read and understand fundamental financial statements, including the Company's balance sheet, income statement and cash flow statement. At least one of the Committee members must satisfy Nasdaq's financial sophistication requirements, and the Board shall use diligent efforts to assure that at least one member of the Committee qualifies as an "audit committee financial expert," as defined by the rules of the Securities and Exchange Commission ("SEC"). No member of the Committee can have participated in the preparation of the Company's or any of its subsidiaries' financial statements at any time during the past three years.

The chairperson of the Committee shall be designated by the Board or, if it does not do so, the Committee members shall elect a chairperson by a majority vote of the Committee.

Members shall serve until their successors shall be duly elected and qualified or their earlier resignation or removal. The Board may replace any member of the Committee.

III. Meetings and Procedures

The Committee shall meet at least four times per year. The Committee may request that members of management, representatives of the registered public accounting firm and others attend meetings and provide pertinent information, as necessary. To foster open communications, the Committee shall meet at such times as it deems appropriate or as otherwise required by applicable law, rules, or regulations in separate executive sessions to discuss any matters that the Committee believes should be discussed privately. The Committee may meet by telephone or video conference or similar communications equipment by means of which all persons participating in the meeting can hear each other at the same time and may act by written consent. A majority of the members of the Committee, or a duly appointed subcommittee thereof, shall constitute a quorum.
